

**S** is for safe

Keep your own and others' personal information safe. Don't share it with people online.

**M** is for meet

Be careful with people you only know online.

Tell an adult if they ask you to meet, send photos or video call with them.

**A** is for accepting

Think carefully before you click on links, pop-ups or adverts, as you don't know where they may lead.

**R**

Not everything you see online can be trusted.

It is safest not to accept friend or message requests from people you don't know.

**T**

If anything or anyone makes you feel upset, worried or confused, tell a trusted adult.

Who are your trusted adults?

### What should I already know?

- What to do and who to go to if something makes me feel uncomfortable online.
- That not everything online is accurate.
- What my personal information is and how to keep it safe.

If we see anything online that makes us feel worried, scared or sad, we will TAG.
