

What should I know?

- Christianity is a religion.
- People who follow Christianity are known as Christians.
- Christians believe in God.

The Creation Story

Christians believe that:

On day number...

- 1... *God made light, He made the day and He made the night.*
 - 2... *God made the sky. It's big and blue and way up high.*
 - 3... *God made the sea. He made the land, every plant and tree.*
 - 4... *God made the moon and stars. He put the sun in the sky, super-duper far.*
 - 5... *God made birds and fish, dolphins and whales and things that go squish!*
 - 6... *God made animals and bugs, foxes and cubs for us all to hug.*
- He said it was good and part of His plan.*
- 7... *God stopped to rest. He saw what He made, he said it was the best.*

God made you and God made me. He made everyone and everything we see.
