Re: Household Support Fund

The local authority has received funding to support the most vulnerable households within the City. Households are able to apply for this support once in the first half of the year up to September and once in the second half of the year, up to the end of February 2023. Any duplicate applications will be refused.

The fund will be used to support households most in need with:

- Food
- Gas and electricity (billed and pre-paid)
- Water bills
- White goods (via referral only)
- In exceptional cases of genuine emergency, it may also be used to support housing costs where existing housing support/discretionary schemes do not meet this need

Applications can be submitted directly by families online at leicester.gov.uk/householdsupportfund.

Families may qualify for help with:

- Food
- Gas and electricity (billed and pre-paid)
- Water bills

Applications can be submitted online by families directly during the days and times stated below:

- Monday (each week), 9am-5pm
- Wednesday (each week), 5pm-9pm
- Saturday, 9am-5pm, every two-weeks on the following dates:
 - 10 and 24 June 2023
 - 8 and 22 July 2023
 - 5 and 19 August 2023

This may change, depending on the level of demand and remaining, available funding.

If you need any support with this or further support please contact the school to make an appointment with our Family Support Worker Mr Lang.
