

What should I already know?

- Marks on paper can represent something real.
- Exploring colour mixing: Free access to paint and mixing colours to see what happens.

Key Vocabulary and Definitions

	Definition
artist	A person who creates art (such as painting, sculpture, music, or writing)
artwork	A piece of work that has been created by somebody (artist)
scrape	To wipe a paintbrush against the top of the paint pot to remove extra paint (so the paint doesn't drip off of the brush)
appropriate colours	The right colours to represent something real eg. choosing green or red for an apple.

Key Knowledge

- To use a paintbrush and paint with increasing control.
- To know how to create some shapes to represent items they are painting.
- To know they can look at an item or picture and represent this on paper.
- To include specified body parts in paintings and pictures.

thick paintbrush

thin paintbrush
