

## What should I already know?

- That children's lives in other parts of the world are not always the same as ours.
- That there are other

A school in Vietnam.

A school in Ghana.

A school in Australia.

A school in America.

## Key Knowledge

- That children's lives in different countries can be compared. We can notice similarities and differences between lives.
- That there are lots of other countries in the world.
- That children will have a daily routine.

Map of the World

In this unit of work, we will make sure stereotypes are not formed and children realise that there are a range of ways of life in each country.

## Key Vocabulary and Definitions

	Definition
World	The earth and all the people and things upon it.
Countries	The land on earth is split into areas (countries). These are usually controlled by a government.
Compare	Looking at 2 or more things or places and noticing similarities and differences between them.
Similarities	A likeness or sameness between 2 or more things or places.
Differences	Not the same as or unlike a place or thing.
Daily routine	The regular things that someone does in a day – e.g. what time they get up, eating breakfast, brushing their teeth, what time they eat meals, what time they go to bed.
