

Holiday Activities and Food Programme Summer 2023

Children and young people who receive benefits related free school meals can take part in our free holiday activities and food (HAF) programme over the summer holiday.

The programme sessions will include a variety of activities, such as art, sport and music and a healthy meal will be provided each day your child attends.

This summer, you can register for up to four weeks of free programmes. Before you register, please consider the:

- location of the programme and how your child will get there
- days and the time of the programme
- age range of the programme

The full list of HAF providers and weeks they are running programmes can be found from page 2 of this document.

Registration closes on Wednesday 28 June 2023. Places are limited and will be allocated on a first come first served basis following confirmation of free school meal eligibility. The full HAF programme information, criteria and details of how to apply can be found at:
