

### What should I already know?

- A song has a **beat**.
- A song has a **rhythm**.
- A song has loud parts and quiet parts.
- Songs have different speeds.

### Key Knowledge and skills gained

- In many songs there are changes in **dynamics**. Some parts can be loud, and some can be quiet.
- A change in **dynamics** can make the singer feel different emotions.
- The purpose of a **rest** is so that singers can breathe.
- When singing a particular song, you must follow the same **pulse**.
- When singing it is best to stand up straight to allow more air to move in and out of your body.

### Songs practised:

Ebenezer Sneezer

The Penguin Song

Diwali is Here

London's Burning
