

Dear parents and carers,

This week Mrs Coplin and I began working with the Behaviour Hub. This programme is fully funded by the DfE and is designed to support schools to make sustainable and impactful changes to improve school behaviour culture. Overall, behaviour across school is good but we are keen to further refine and enhance our approach to behaviour. Over the next few months our Senior Leadership team will be participating in additional training and visiting different schools.

Class Assemblies

Indigo Class led an excellent assembly today. The children shared with us their New Year Resolutions and performed two amazing dances where they worked together as a team. Class assemblies will start promptly at 9:20 and may last around 30 minutes. Unfortunately photographs and video recordings will not be permitted during the assembly but there will be an opportunity for this at the end of the assembly.
