Overdale Parents' Association

Do you work for an organisation that offers match funding?

Match funding is a simple way to maximise the fundraising efforts of individual PA volunteers. It is an informal, albeit corporate, arrangement between a company and an employee. Usually, a company pledges to match a sum of money relating to the amount the employee has either raised or donated to a charity.

How it works?

If you volunteered on a stall at the summer fete and the stall raised £100 then your work place could match this amount.

Please speak to your employers about match funding and help us raise even more funds.

Reminders

- Please sign up to volunteer at the school fete if you can.

Please could parents complete the forms via the link letting us know when your child is likely to be absent from school. Gathering this information in advance allows us to plan for curriculum coverage and staffing arrangements. Please note completing this form will mean you do not need to notify the school of your child's absence on the day. We will use

the information gathered to update our records.

We are only permitted to authorise two days per academic year for religious observance. If your child has already taken two days this absence will have to be unauthorised.
