Friday 28th April 2023

Children will complete the colour dash at the end of the day just before going home. The clothes covered in powder will then be placed back in their named carrier bag. If a child does not bring a change of clothes we will provide a t-shirt only to cover their uniform.

Children will need a change of clothes. Please send old clothes in a named carrier bag for them to wear. The clothes will get covered in powder colour. If your child wishes they can also wear sunglasses to protect their eyes.

Colour powder is not harmful to people or the environment. It is made from corn starch, dyed with food-grade colouring.
