Evidencing the impact of the Primary PE and sport premium

Website Reporting Tool Revised October 2020

Commissioned by

Department for Education

Created by

It is important that your grant is used effectively and based on school need. The <u>Education Inspection</u> <u>Framework</u> (Ofsted 2019 p64) makes clear there will be a focus on 'whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school'.

Under the <u>Quality of Education criteria</u> (p41) inspectors consider the extent to which schools can articulate their curriculum (INTENT), construct their curriculum (IMPLEMENTATION) and demonstrate the outcomes which result (IMPACT).

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit <u>gov.uk</u> for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and sport premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to <u>publish details</u> of how they spend this funding as well as on the impact it has on pupils' PE and sport participation and attainment by the end of the summer term or by **31**st **July 2021** at the latest. ** In the case of any <u>under-spend from 2019/20 which has been carried over</u> this must be used and published by <u>31st March 2021</u>.

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2021. To see an example of how to complete the table please click <u>HERE</u>.

Supported by:

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your pupils now and why? Use the space below to reflect on previous spend and key achievements and areas for development.

Please note: Although there has been considerable disruption in 2020 it is important that you publish details on your website of how you spend the funding - this is a legal requirement.

N.B. In this section you should refer to any adjustments you might have made due to Covid-19 and how these will influence further improve

Key achievements to date until July 2020:	Areas for further improvement and baseline evidence of need:
Equipment bought to support the development of skills for Games lessons – real rather than plastic.	To develop staff confidence (due to Covid 19 we were unable to have outsiders into school to help with lesson delivery.)
Balance equipment was purchased to support the development of core strength – identified as a weakness across school.	Develop a data tracker for school participation in clubs and activities – also not completed due to clubs being cancelled due to Covid 19 and mixing bubbles.
Sports coach employed to work alongside Year 2 teachers to help develop staff confidence in delivering sessions. Imoves subscription renewed to help support staff with ideas and skills for active bursts, dance and pilates.	
Progression of skills documents have been produced for PE in general and for Games, Gym, Dance and Athletics.	
Audit of Gymnastics equipment and new equipment purchased.	

Did you carry forward an underspend from 2019-20 academic year into the current academic year? YES

If YES you must complete the following section

If NO, the following section is <u>not</u> applicable to you

If any funding from the academic year 2019/20 has been carried over you MUST complete the following section. Any carried over funding MUST be spent by 31 March 2021.

Academic Year: September 2020 to March 2021	Total fund carried over: £ 3674.01	Date Updated: April 21		
What Key indicator(s) are you going	g to focus on? 1 and 4			Total Carry Over Funding:
				£3674.01
Intent	Impleme	ntation	Impact	
Your school focus should be clear how you want to impact on your pupils.	Make sure your actions to achieve are linked to your intentions:	Carry over funding allocated:	Evidence of impact: How can you measure the impact on your pupils; you may have focussed on the difference that PE, SS & PA have made to pupils re-engagement with school. What has changed?:	
PE equipment was bought for each double bubble to support PE during Covid 19 and for Year group PE.	The equipment is used during continuous provision, break times and during PE sessions. This has helped to increase the amount of time our children are being active.	£3674.01	Continuous provision, break times and PE times are better equipped and more children are taking part during these times.	More pupils will be able to increase their active minutes each day due to having more equipment.

Meeting national curriculum requirements for swimming and water safety.	N/A – Infant School
N.B Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land.	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2021.	
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	

Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.
