

## Dear Parents and Carers,

I would like to thank you all for your support and understanding as we as a school community are navigating our way through grief. Our staff and children have demonstrated compassion, resilience and kindness.

Staff and children have continued to work hard this term and our focus on routines and expectations has ensured that there is a positive climate for learning.

Thank you for your feedback this half term, it was great to hear so many positives and that Class Dojo has been well received. We are always keen to listen and respond to feedback and I will be working with the Senior Leadership Team to consider your ideas after half term. We will continue to ask for feedback throughout the year please look out for our feedback slips at different events.

I hope you have a restful half term and enjoy spending time with loved ones.

Take Care,  
Mrs Holmes

## Homework Heroes

Key Stage one homework is due to be handed in on Monday 30<sup>th</sup> October. Classroom staff will look at each piece of homework and will stamp the homework to say they have seen it. One piece of homework will have a handwritten comment on it and may provide some feedback. A number of homework heroes will be selected each half term to acknowledge the children's efforts in completing their homework. Staff will be awarding homework heroes based on the children's creativity, independence, mastery of skills and their use of character muscles.
